ABOUT RMHC AND OUR BRAND

RMHC of Arkoma

Ronald McDonald House Charities of Arkoma provides support and resources that help keep families close to their critically ill children - all at no cost to the patient or their family. The Ronald McDonald House and Family Room programs, located in the hospital just steps away from a child's bedside, provides a place for families to relax, regroup and regain the strength they need to support their child. Our first Ronald McDonald Family Room was opened in 2011 at Mercy Hospital in Fort Smith, AR, our second Family Room opened in 2013 at Mercy NWA in Rogers, AR, our first Ronald McDonald House opened in 2016 at Washington Regional Medical Center in Fayetteville, AR, and our Ronald McDonald stand-alone House opened in 2021 at Mercy in Fort Smith. Our Houses and Family Rooms open their doors to dozens of families each day, regardless of their distance from the hospital, financial situation, or unit of the hospital the patient is in.

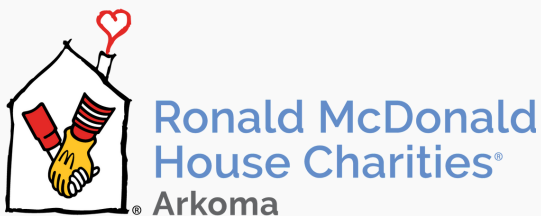

Our Logo

RMHC of Arkoma is happy to provide you with various formats and versions of our logo.

It is preferred to use the full color version of the logo whenever possible, with either black or RMHC blue for the logo text. If the logo is placed on a darker background, please make the logo text white for legibility.

Please do not stretch or distort the logo, add effects, embellishments, or separate elements of the logo. For questions, please contact marketing@rmhcofarkoma.org
